

HVE Life OS Executive Agent Architecture

Working synthesis of the Chief of Staff and Five Wealth Pillar model.

Executive Structure

Hans Westphal (CEO) -> HansHermesAgent (Chief of Staff) -> HVE-CTO, HVE-CPO, HVE-CMO, HVE-CSO, HVE-CFO and HVE-Librarian.

HansHermesAgent

Executive Chief of Staff. Maintains continuity, prepares decisions, coordinates executives, tracks commitments and manages shared context.

HVE-CTO – Chief Time Officer

Owns Time Wealth, calendar, commitments, automation, productivity and Time Wealth Discovery.

HVE-CPO – Chief Physical Officer

Owns fitness, nutrition, recovery, energy and physical resilience.

HVE-CMO – Chief Mental Officer

Owns mental wealth, learning, purpose, awareness, wisdom and cognitive performance.

HVE-CSO – Chief Social Officer

Owns relationships, family, community, service, reputation and network capital.

HVE-CFO – Chief Financial Officer

Owns cashflow, tax, insurance, investments, infinite banking and multi-generational financial sovereignty.

HVE-Librarian

Knowledge curator, archivist, institutional memory and source verification officer.

Architecture Layers

User -> HansHermesAgent -> Executive Agent Profiles -> Subagents -> Skills -> Tools/MCPs
-> Source Documents (Truth Layer).
